Client Meeting 4(17th February 2024)

Attendees : -

- Gaurav Kumar
- Sanchit Jalan
- Karan Nijhawan
- Sreeja Palle
- Vaishnavi Reddy

The meeting was mainly finalising the project requirements . It was a short meet and we were given the details of what client expects from us and what timeline we should follow . We are having a next meet in which we will give the walkthrough of codebase . Client told us about the problem he is facing in label studio of having 50 file limit . Client also wants 360 degree image annotation . More will be discussed on subsequent meetings .
